Areas of Study are valid as of September 1, 2019. Changes could apply. Visit the Study North website [studynorth.ca](http://studynorth.ca) for more information or to link to the individual college websites to view updates.

# HOW TO APPLY TO COLLEGE AND KEY DATES

To apply to a Study North college, you must complete an application form through **ontariocolleges.ca**. If you are currently enrolled in an Ontario secondary school, contact your guidance counsellor for help with your application.

There is an application fee of \$95, and you must provide an official transcript. You can select up to five program choices, with no more than three program choices at any one college.

You can send in your applications starting in October, but be sure to have them in before February 1st for equal consideration!

Go to **ontariocolleges.ca** and follow their simple instructions to apply and ensure one or all of the Study North colleges are on your list!
